

30th April 2024

Dear Parents and Carers of Year 3,

Geology Trips to Tolcarne Beach in May

Year 3 will be completing their Geology topic by visiting Tolcarne Beach to discover more about the rocks we can find in our local environment.

Each class will be going on a short adventure during the academy day, to explore our local geology with their teachers and Mr Ellis Davis, our Outdoor Learning Co-Ordinator.

Tuesday 7 th May	3WM
Wednesday 8 th May	3BR
Thursday 9 th May	3JR in the afternoon (They are swimming in the morning)
Friday 10 th May	3JJ

On the day of their trip, pupils can:

- Wear their academy PE kit on this day with sensible shoes for walking.
- Bring a waterproof coat, a small rucksack/bag with a drink and snack.
- We will return to NJA ready for Year 3 lunch time.
- Wear sun cream and bring a sun hat (depending on the weather).
- Arrive for 8.40am registration and will be finished for usual 2.55pm home times.

This should be an enjoyable and practical excursion to explore our local environment.

Yours sincerely,

The Year 3 Team and Mr Ellis-Davis
