9th October 2025

Dear Parents and Carers,

Year 5 Space Odyssey- A Voyage of Discovery

On Tuesday 14th October 2025, we are delighted to be welcoming Space Odyssey into the academy with their spectacular 360 3D space experience.

The fascinating Space Dome experience is led by Simon Ould, an experienced Science teacher and Fellow of the Royal Astronomical Society; this aims to support the Year 5 Science Curriculum for the Autumn Term.

Pupils will visit the space dome with their classes at various times throughout the day.

We are asking for voluntary contributions to help cover the cost of the event.

Your contributions will help make this event a reality and ensure all children can benefit from this enriching educational experience.

We politely ask that a £5.00 payment is paid via ParentPay by Monday 13th October 2025. (Payment Item: Year 5 Space Odyssey-Tuesday 14th October)

We appreciate your support.

Yours sincerely,

Mrs Springett
Head of Science
